Spooner Area School District

Board of Education Selects Next Spooner Area School District Superintendent of Schools

Following weeks of gathering information, soliciting applicants, vetting applicants, and an in depth interview process, the Board of Education has made our selection for our next Superintendent of Schools for the Spooner Area School District. Pending a successful background check and contract negotiation, we can proudly announce that Dr. Margaret M. Banker will assume superintendent duties for our district beginning with our next school year. Dr. Banker possesses a wealth of knowledge and experience as well as the ability to bring many viewpoints and ideas together to focus on our goal of making the Spooner Area School District the best place for our children to obtain their education.

I want to thank members of our community as well as our school staff for providing much appreciated input into our decision. Additional thanks go out to Mayor Gary Cuskey and SES Principal Chris Berghammer for facilitating the community and staff interview process as well as SHS Principal Pete Schroeder for conducting tours of our facilities for our prospective candidates. Thanks also goes out to Mr. Bruce Miles of "The Big River Group" for his efforts in conducting our superintendent search process. Finally, my sincere thanks go out to all the members of our school board for their diligence and efforts to ensure we have selected a candidate that will lead our district into a bright and successful future we can all be proud of.
