

## SkillsUSA Builds Shed for Fundraiser

*SkillsUSA members from Spooner High School recently completed a shed to sell as a fundraiser. SkillsUSA is a national organization whose goal is to improve the quality of our nation's future skilled workforce by teaching high school students personal, workplace, and technical skills. SkillsUSA members compete in competitions that test their skills and allow them to grow both their technical and personal skills.*

*The funding from selling this shed will help cover tools, equipment, contest registration, and other expenses we incur during our competitions/events.*
