2023	400	200900/02	MATH FOUNDATION	Comp	1.000	No	C	Yes				

If this student passes the in progress Geometry class, all math graduation requirements will be met.

Future Scheduling FAQ

- All students will request 9 total credits using their Course Request Worksheet
 - 1 additional credit allows for flexibility in the scheduling process, you will only be scheduled for 8 total credits
- **Your requests do not indicate a final schedule;** students will sit down with Mrs. Meyers before the end of the year to review schedule and make changes as necessary
- There are courses that will be pre-requested based on grade level and graduation requirements
 - You won't be able to remove these in Skyward, but please let Ms. Hammersberg know if something needs to be corrected
- Please refer to the Railroad Map for course descriptions and prerequisites
- Complete your 4 year Course Plan as teachers tell you about options - think ahead

ENGLISH

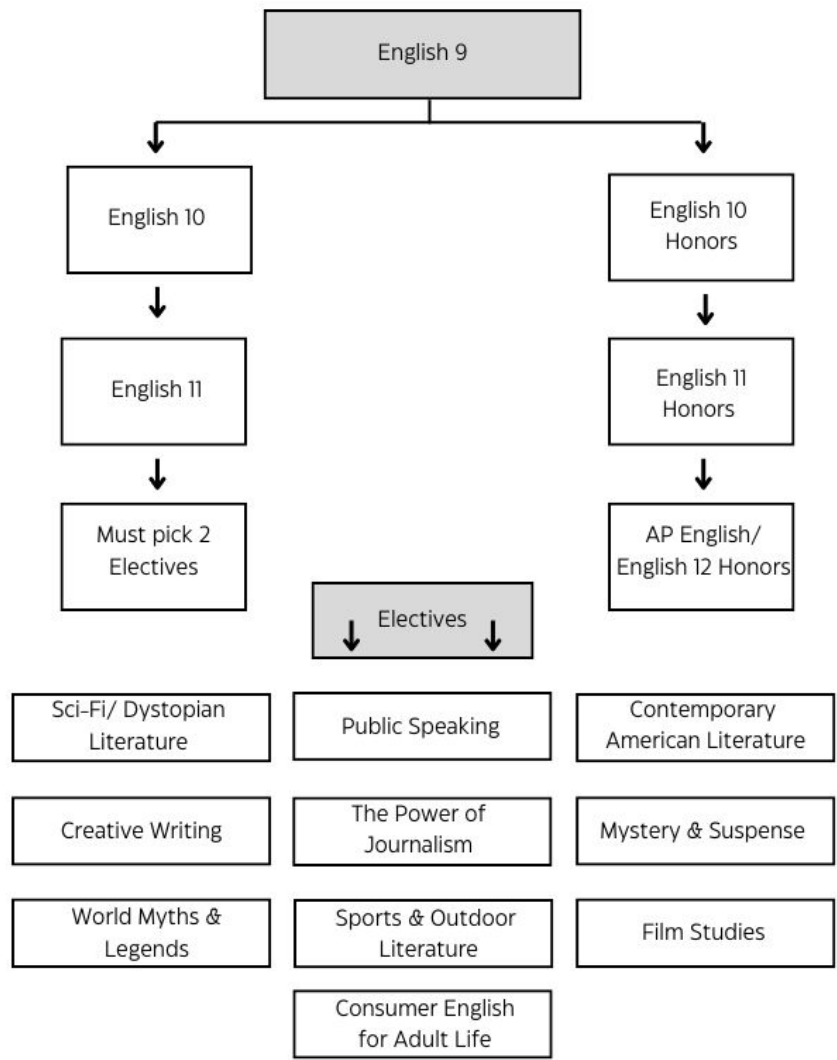

{4 credits required}

- 1.0 English 9
- 1.0 English 10
- 1.0 English 11
- 1.0 English Elective (Senior Year)

Ms. Burch & Ms. Behling

Things to know about ENGLISH

- Need one credit every year: grades 9 - 12
- Must have 93% in previous course to move into Honors 10, 11 or AP/Honors
- Must Choose a minimum of ONE CREDIT as a senior (two 0.50 /term classes or AP English)

English Elective Credits –

Junior/Senior year

Creative Writing	Sci-Fi/Dystopian Literature	Public Speaking
The Power of Journalism	Mystery & Suspense	World Myths & Legends
Sports and Outdoor Lit	Film Studies	Consumer English for Adult Life
AP English/Honors 12 <i>weighted</i>	Contemporary American Literature	

MATHEMATICS

{3 credits required}

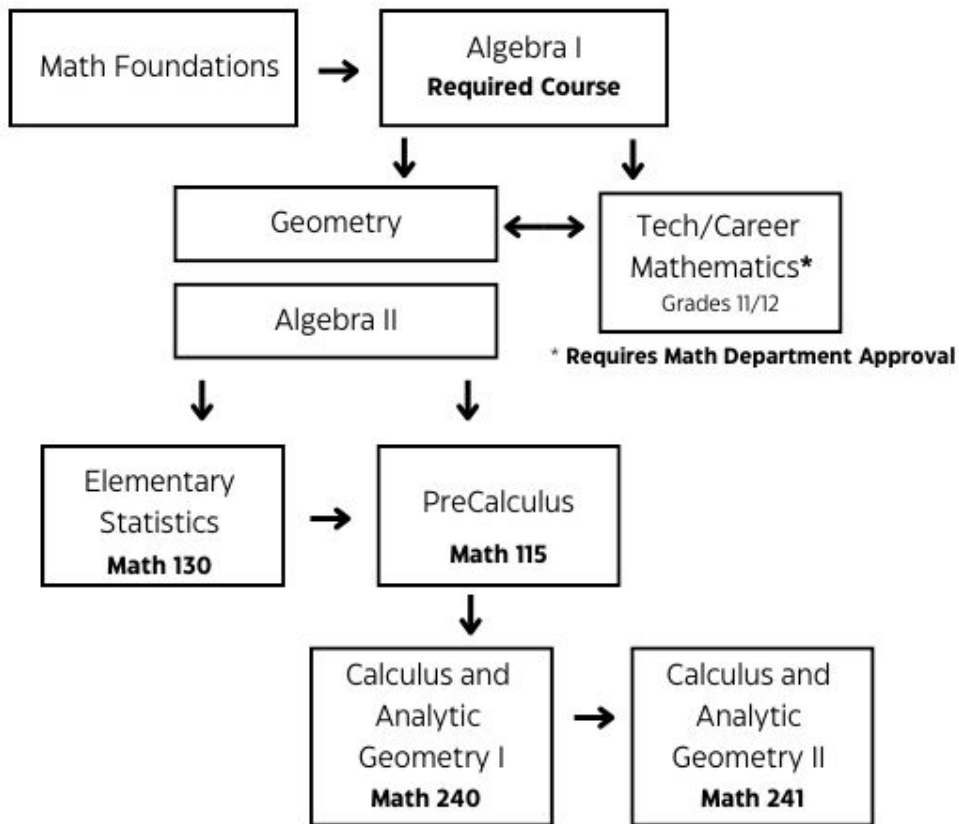

- 1.0 Algebra 1
- 1.0 Geometry
 - OR Tech Math (must qualify)
- 1.0 Elective

Ms. Derousseau, Ms. Franson, Mr. Laufman

Things to know about MATH

- Must Choose a minimum of ONE CREDIT (if you haven't earned 3.0 credits)
- If you want to take Pre-Calculus or Calculus, you'll need to double up
- Math courses must be taken in progression: Algebra, Geometry, Algebra II
- The majority of 4-year universities require Algebra II for admission
- MANY 4 - year universities want to see a 4th YEAR of Math - don't double up too early and then stop before senior year!
- *Elementary Statistics, PreCalculus, Calc 1 and Calc 2 = UW Superior Math credits

Spooner High School Mathematics

Math Elective Credits

Course Name	Credits	Prerequisites
Tech/Career Math	1.0 Credit	Algebra I
Algebra II	1.0 Credit	Geometry
Elementary Statistics Math 130 * UW-Superior	1.0 Credits, <i>weighted</i>	Algebra II
Pre-Calculus Math 115* UW-Superior	1.0 Credit, <i>weighted</i>	C or better in Alg II
Calculus 1 *Math 240 - UW-Superior	1.0 Credit, <i>weighted</i>	C- or better in Pre-Calc
Calculus 2 *Math 241 - UW-Superior	1.0 Credit, <i>weighted</i>	C- or better in Calculus 1

SCIENCE

{3 credits required}

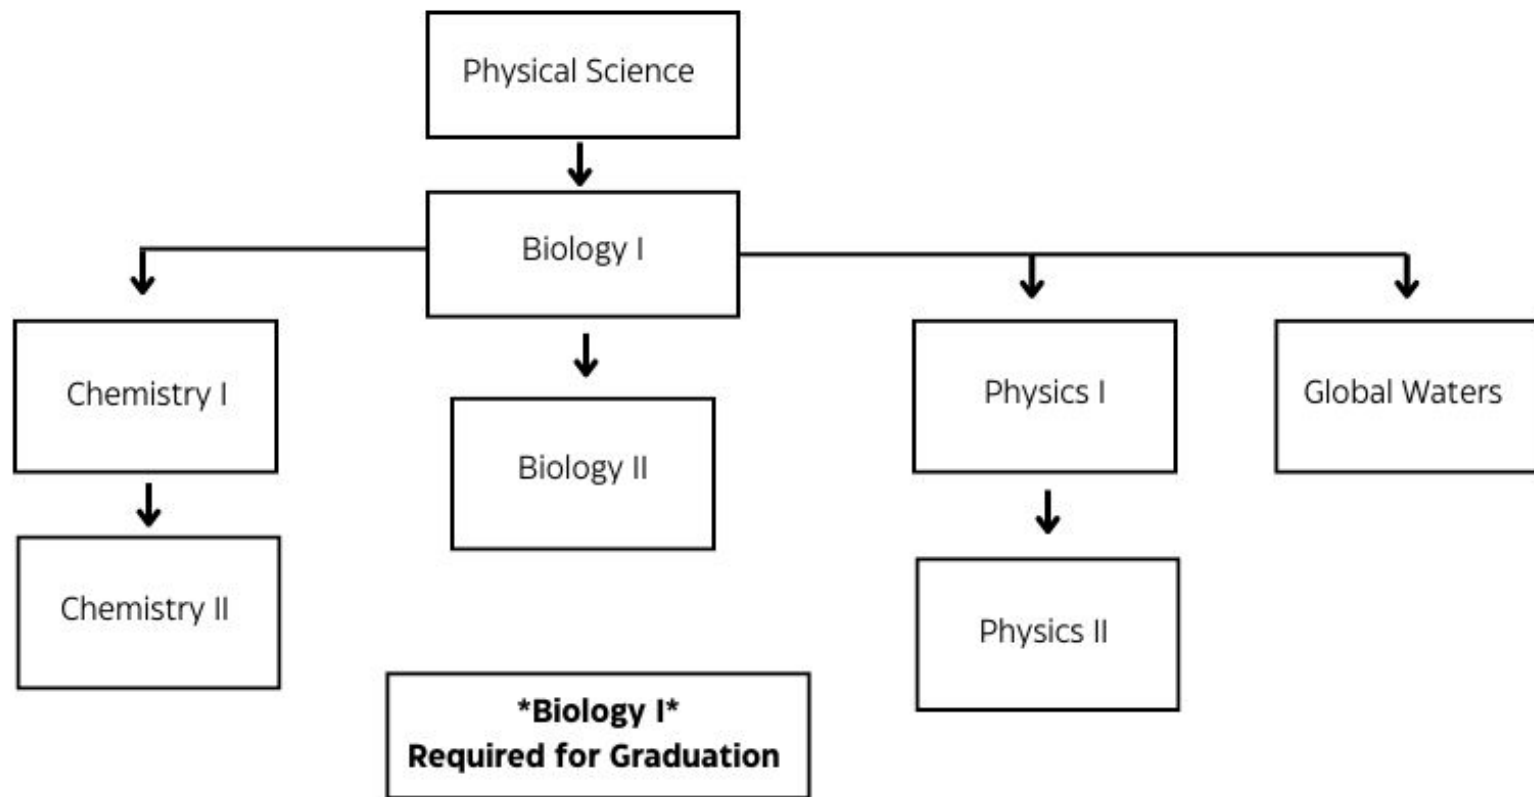

- 1.0 Physical Science
- 1.0 Biology
- 1.0 Elective

Ms. Melcher, Ms. Greisen, Mr. Ott

Things to know about SCIENCE

- Must Choose a minimum of ONE CREDIT (if not completed)
- There are Ag classes that fill the science elective requirement (Natural Resource Management; Plant & Earth Science; Animal Agriculture)
- **Four year universities want to see: Biology, Chemistry, Physics or another advanced Science**
- Students anticipating entering careers in medicine, engineering, etc will have to take Chemistry and Physics in college. Therefore, you should take Chem II, and Physics II in 11th and 12th grade.
- If you are interested in the medical field, be sure to take Bio II - Anatomy/Physiology in 11th or 12th grade

Spoooner High School Science

Biology Electives

Course Name	Credits	Prerequisites
Biology II Anatomy & Physiology	1.0 Credit	C or better in Biology I

Chemistry Electives

Course Name	Credits	Prerequisites
Chemistry	1.0 Credit	C or better in Algebra I
Chemistry II	1.0 Credit, <i>weighted</i>	Chemistry

Physics Electives

Course Name	Credits	Prerequisites
Physics I	1.0 Credit	C or better in Algebra I
Physics II - Mechanical Physics	1.0 Credit, <i>weighted</i>	Physics I and B or better in Algebra II.

Science Electives

COURSE NAME	CREDITS	PREREQUISITE
Global Waters	.50 credits	Biology I

SOCIAL STUDIES

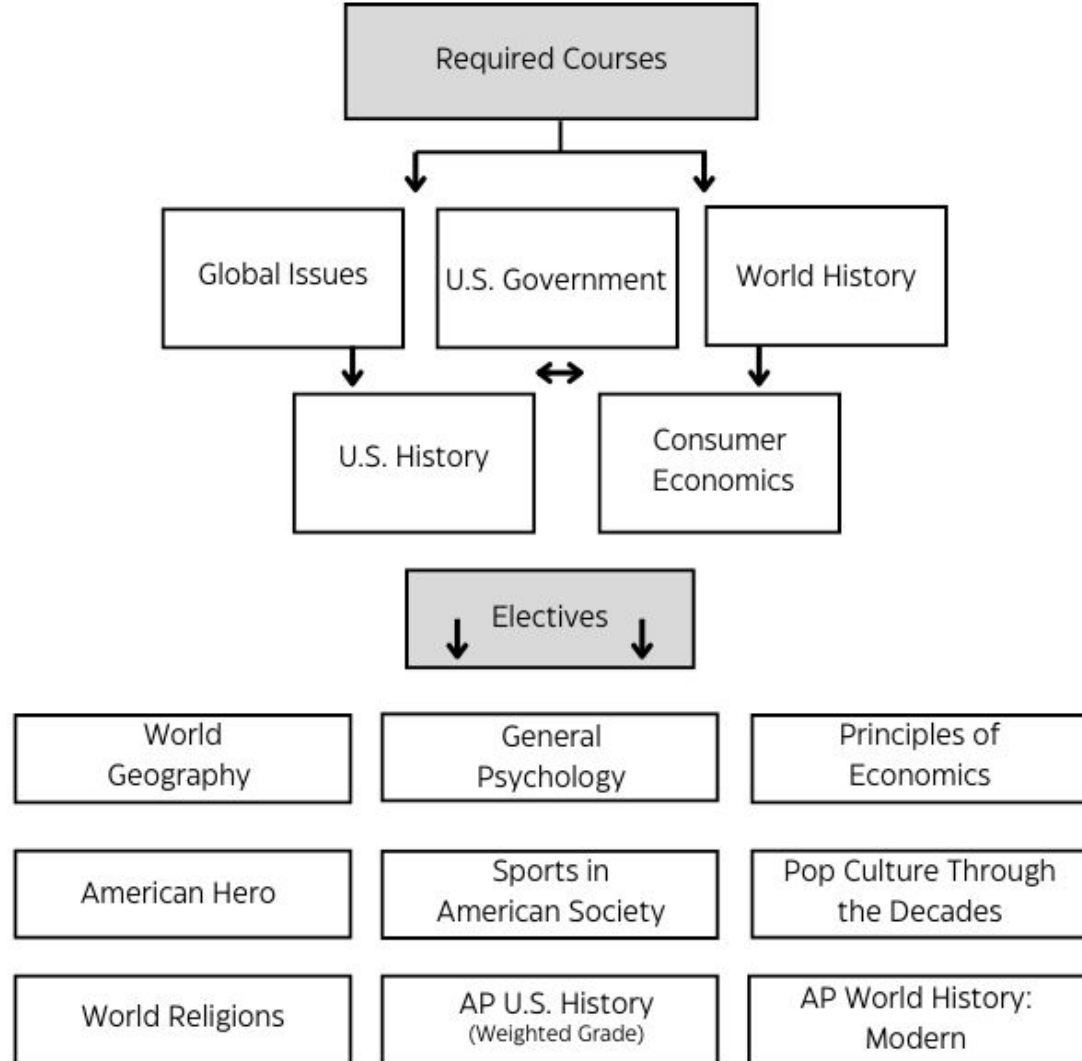

{3 credits required}

- 0.5 Global Issues
- 0.5 World History
- 1.0 US History
- 0.5 US Government
- 0.5 Social Studies Elective

Ms. Saulys, Mr. Anklam, Mr. Merkt

Things to know about SOCIAL STUDIES

- Must Choose a minimum of ONE COURSE if you haven't met the graduation requirement of 3.0 credits

Social Studies Elective Credits -- Choose at least one below:

General Psychology	AP US History <i>weighted</i>	Principles of Economics
World Geography	Sports in American Society	Pop Culture through the Decades
World Religions	AP World History: Modern <i>weighted</i>	

PHY ED

{1.5 credits required}

- 0.5 Phy Ed 9
- 0.5 Phy Ed 10 or Strength & Conditioning I
- 0.5 Phy Ed Elective

Mr. Amys, Ms. Jensen

Things to know about PHY ED

- 9th grade = Phy Ed 9
- 10th grade = Must choose ONE: Phy Ed 10 OR Strength & Conditioning
- 11th grade = Must Choose a minimum of ONE ELECTIVE COURSE
- You can take Partnership in Phy Ed, but it does not fill a Phy Ed graduation requirement
- Phy Ed Electives are repeatable for credit

Spooner High School Phy-Ed and Health

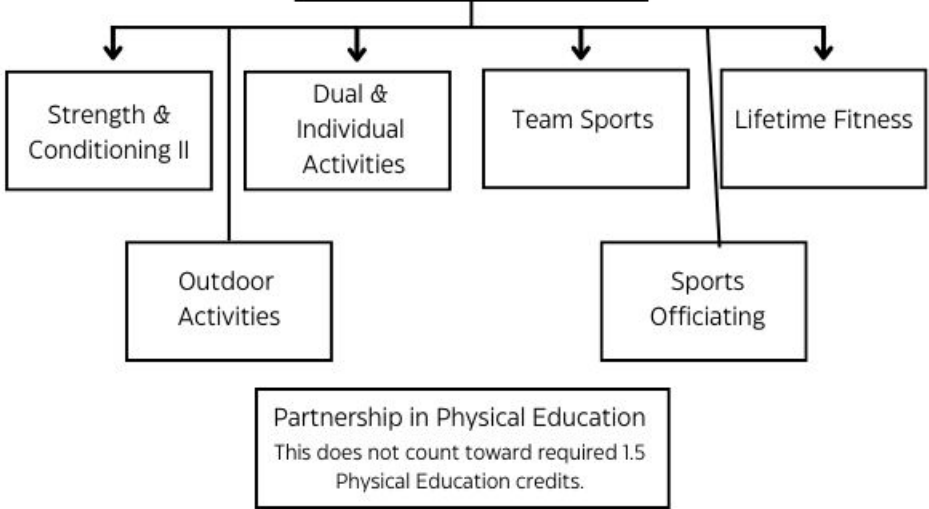

Freshman Required Courses

Sophomore Course Options

Junior and Senior Electives

Phy Ed Elective Credits

Strength & Conditioning I	Strength & Conditioning II	Dual & Individual Activities
Team Sports	Lifetime Fitness	Outdoor Activities
Sports Officiating		

General Elective Option (does not count towards Phy Ed Requirement)

- Partnership in Phy Ed

HEALTH

{0.5 credits required}

- 0.5 - 9th Grade Health

Ms. Jensen

Consumer Economics: Financial Literacy in the American Economic System {0.5 credits required}

- 0.5 - 11th Grade

CAREER AND TECHNICAL EDUCATION (CTE) {1.5 credits required}

- 1.0 Elective in any Tech Ed, Agriculture, Business, or Family/Consumer Education

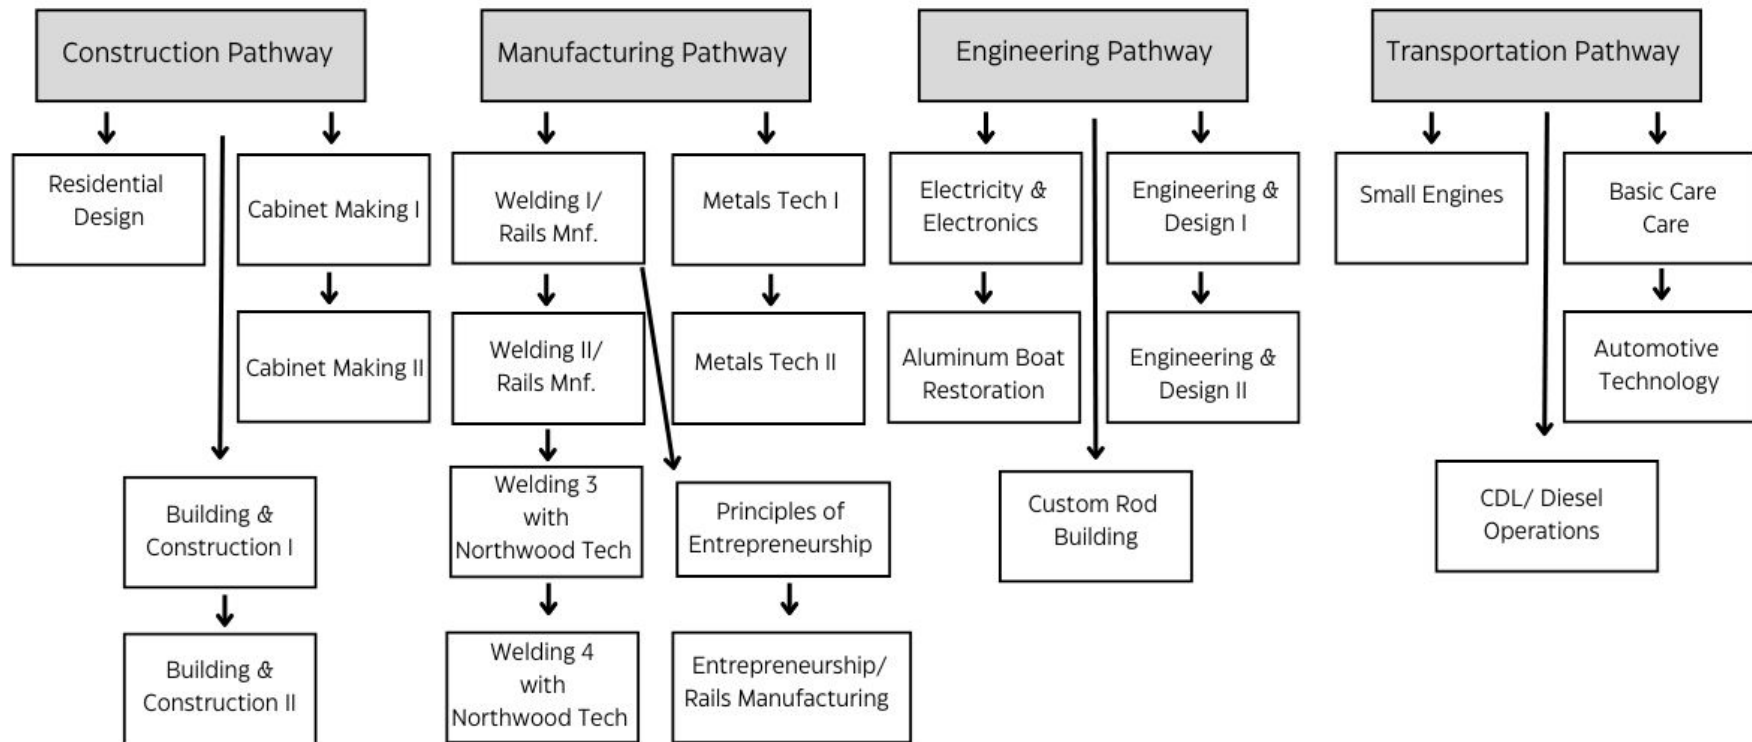

Mr. Tischer, Mr. Linton, Ms. Olson Rosenbush, Mrs. Tischer, Ms. Ring

Things to know about CTE

- Must Choose a minimum of ONE course (if you have not earned 1.0 credits)
- Youth Apprenticeship
- Many courses are considered Advanced Standing with Northwood Technical College (*) - which means you will earn college credit for these classes IF you enroll at Northwood Technical College after high school

Spooner High School Technology Education

Technology Education I

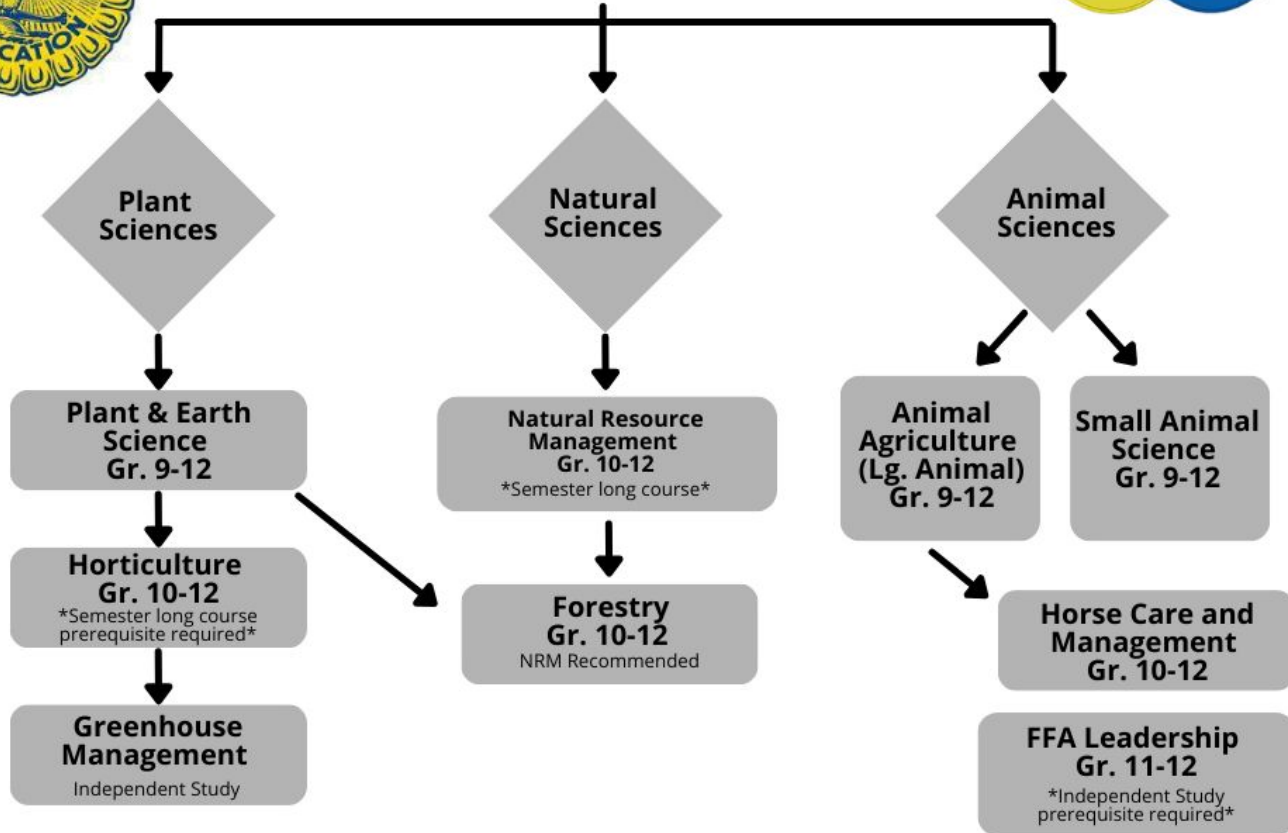

Industrial Technology Electives

Technology Education Pre-Requisite for all other classes	Basic Car Care	Building Construction 1* & II
Cabinet Making* I and II	CDL/Diesel Operations	Electricity & Electronics
Engineering & Design I*	Engineering & Design II*	Power Equipment & Small Engines
Metals Technology I & II*	Custom Rod Building	Rails Manufacturing
Residential Design	Automotive Technology*	Welding I, II*
Aluminum Boat Restoration	Welding 3 and 4 with Northwood Tech	

SPOONER HIGH SCHOOL AGRICULTURE

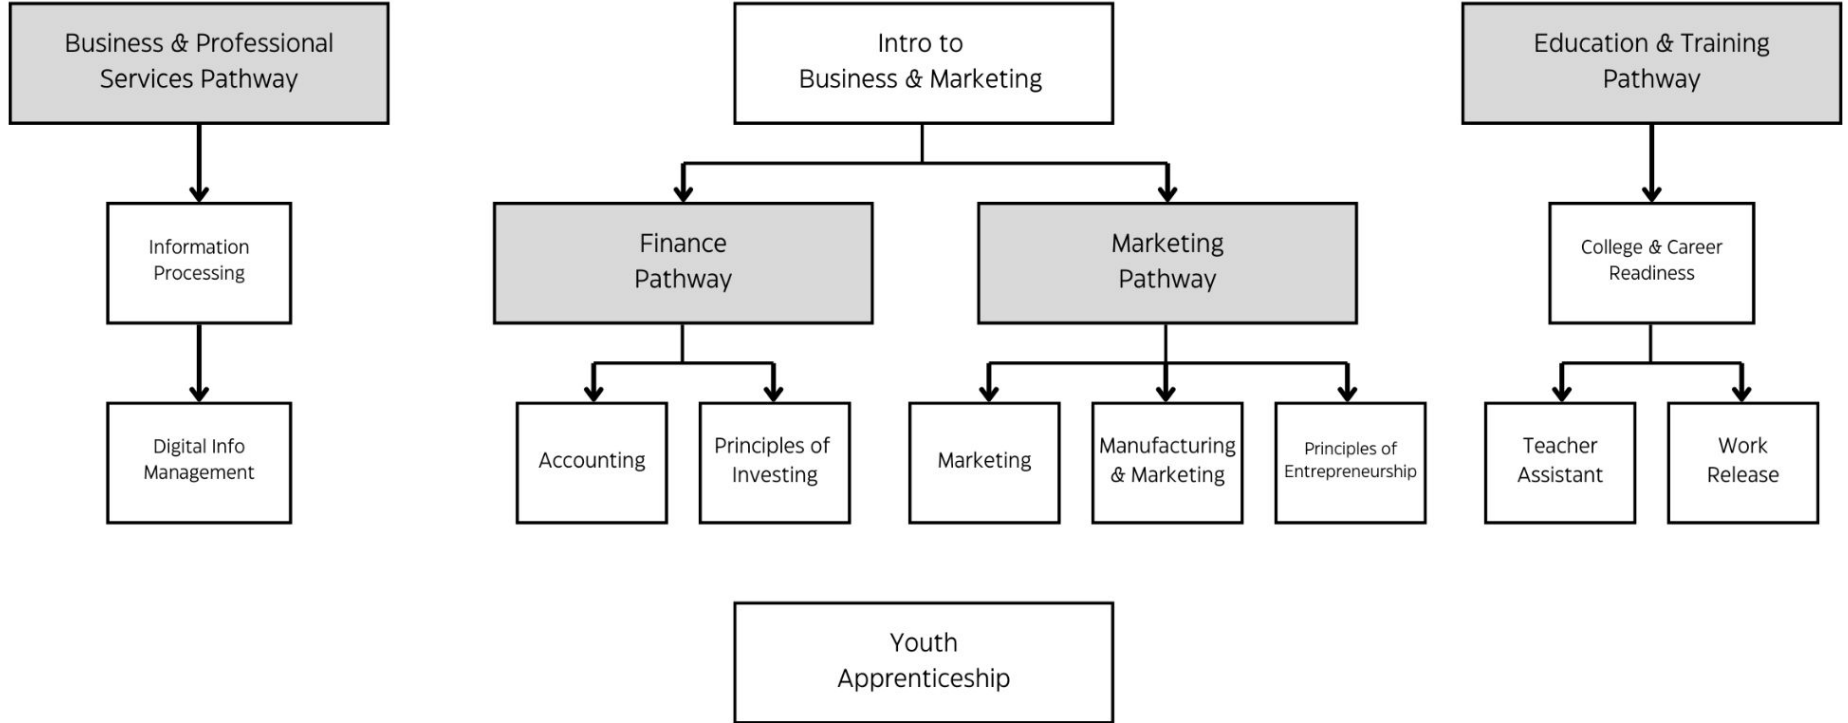

AgriScience Electives

Course Name	Credits	Prerequisites
Animal Agriculture	0.5 Credits	
Plant & Earth Science	0.5 Credits	
Natural Resource Management	1.0 Credits	C or better in Biology I

Agriculture Electives

Animal Agriculture*	Forestry	Small Animal Science
Horticulture	Natural Resource Management*	Plant & Earth Science*
Horse Care & Management	GreenHouse Management	FFA Leadership
*Can be taken as a science elective credit		YOUTH APPRENTICESHIP

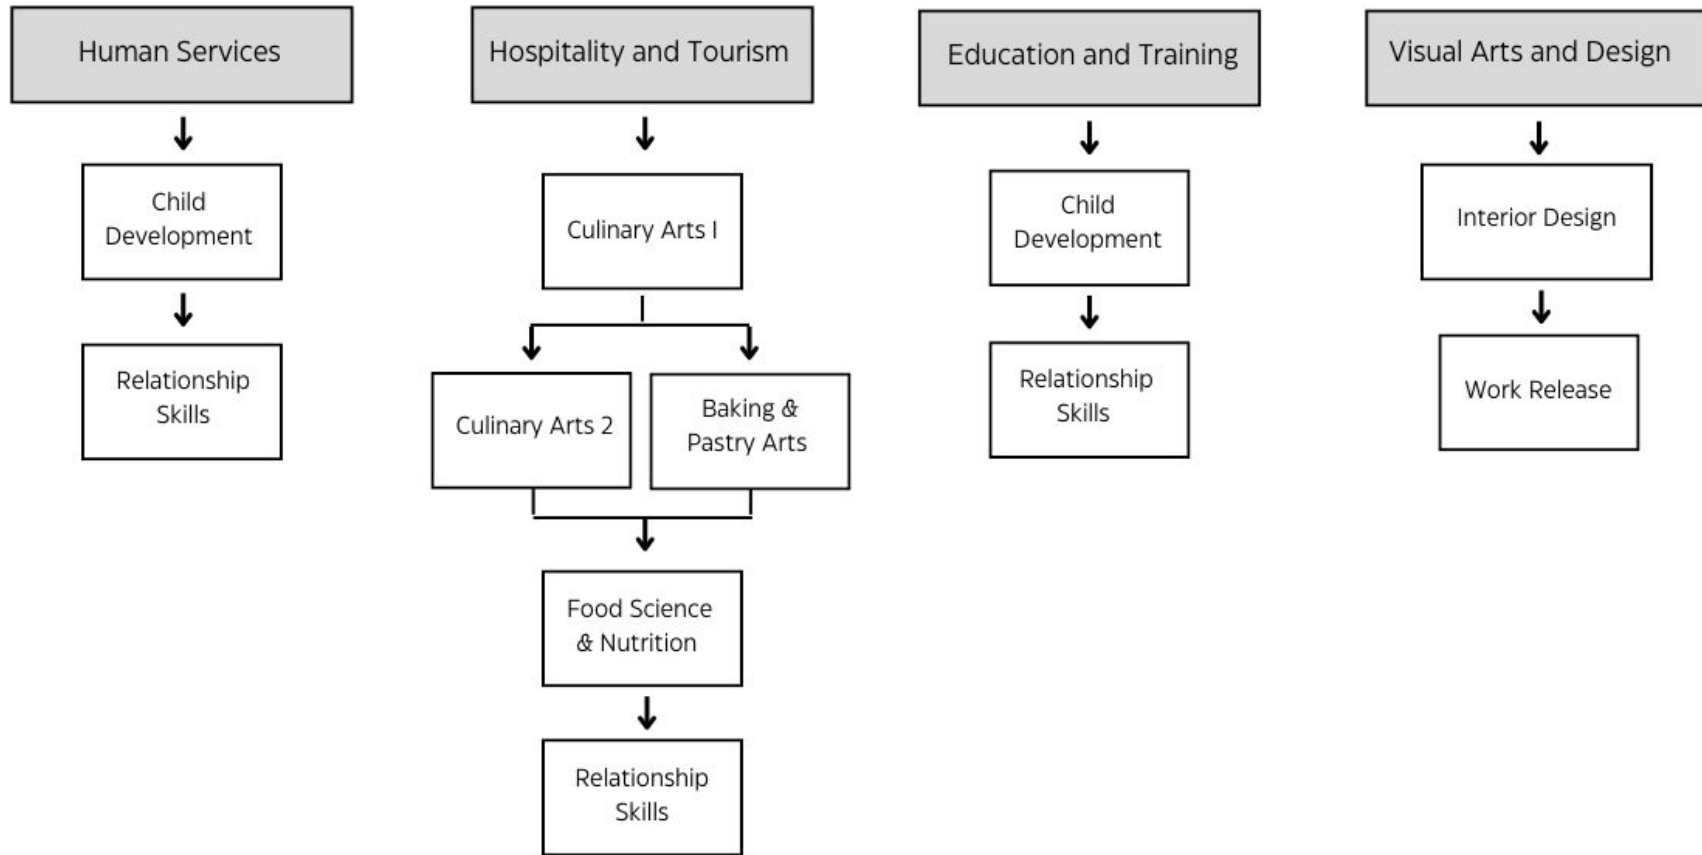

Spooner High School Business Education

Business Electives

Introduction to Business & Marketing <i>Pre-req to most Bus. classes</i>	Accounting	Information Processing
Manufacturing & Marketing *NEW* <i>Co-taught with Tech Ed</i>	Marketing	Principles of Entrepreneurship *NEW*
Principles of Investing *NEW*		
Teacher Assistant	Work Release	Youth Apprenticeship

**Spoooner High School
Family and Consumer Science**

Family & Consumer Science Electives

Baking & Pastry Arts	Child Development	Culinary Arts I
Culinary Arts II	Foods & Nutrition	Interior Design
Relationship Skills		

COLLEGE AND CAREER READINESS

{0.5 credits required}

Pre-requested in your Junior Year

FOREIGN LANGUAGE

{Can be used to fill 9 elective credits}

Señora Nelson

Things to know about SPANISH

- Offers hiring advantage in all position levels (entry level to management) whether you attend college or not.
- UW - Madison prefers at least 2 years of a foreign language
- Spanish I and II can be taken in the same year
- Spanish III and IV can be taken in the same year
- Spanish IV and V cannot be taken in the same year, the classes meet at the same time
- Plan ahead to fit in advanced courses

College Bound?

- Some colleges require a foreign language for admission and/or graduation
- It's possible to test out of language requirements and receive up to 16 retroactive college credits at a UW Institution.

Spanish Electives

Spanish I	Spanish II	Spanish III <i>weighted</i>
Spanish IV <i>weighted</i>	Spanish V <i>weighted</i>	AP Spanish <i>weighted</i>

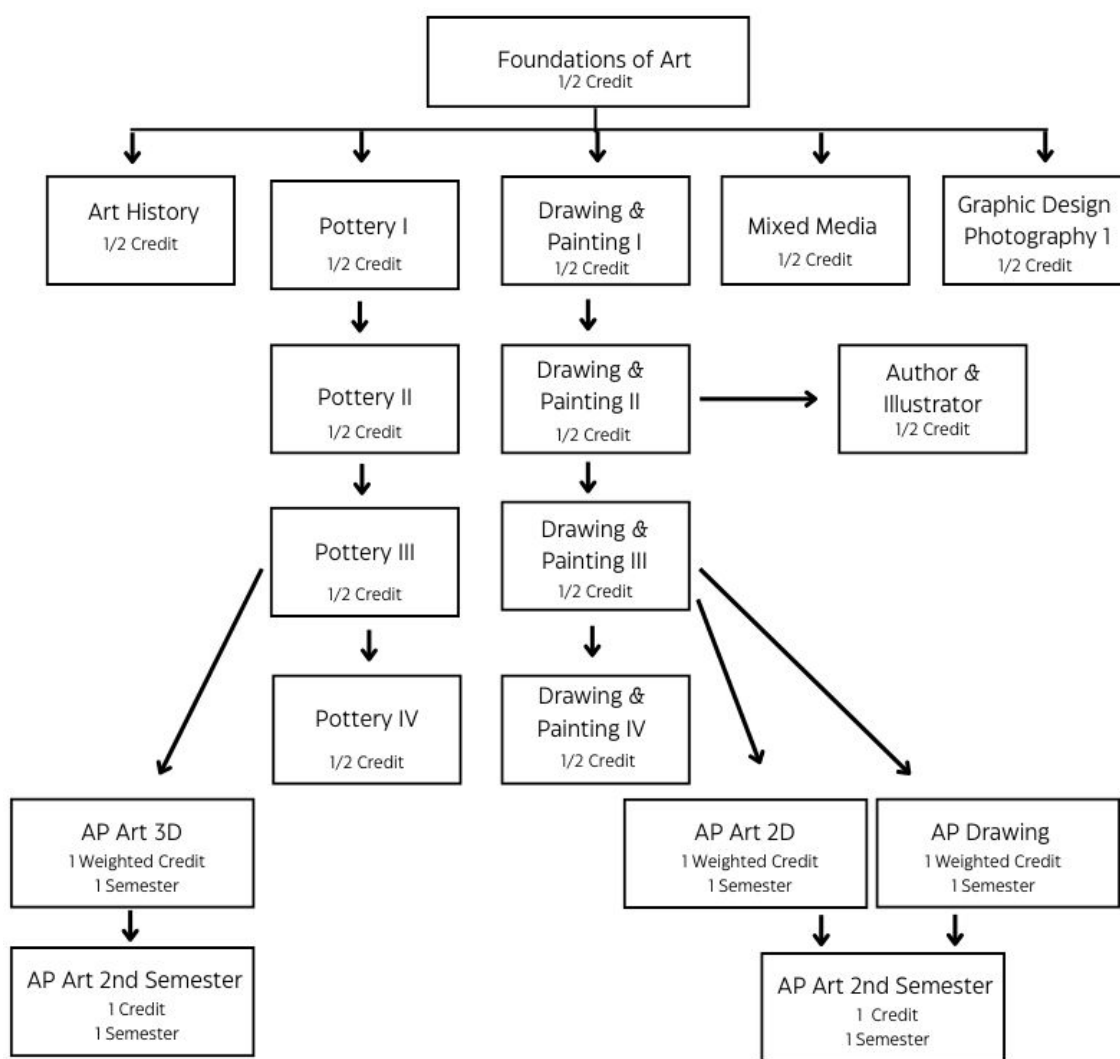

VISUAL ARTS

{Can be used to fill 9 elective credits}

Ms. Sik

Things to know about VISUAL ARTS

- AP Art Classes
 - AP 2D - concentration on Graphic Design (requires Graphic Design/Photography)
 - AP Art Drawing - concentration on Drawing & Painting (requires Draw/Paint I,II, & III)
 - AP 3D - concentration on Pottery (requires Pottery I, II, & III)
 - All AP art classes require an interview with Ms. Sik prior to enrollment
 - AP courses are semester long, for 1 credit.
 - Portfolio due in May - you can take IND Study ART to complete portfolio

Visual Arts Electives

Foundations of Art	Mixed Media	Drawing & Painting I
Drawing & Painting II	Drawing & Painting III, IV	Graphic Design/Photography
Pottery I	Pottery II	Pottery III, IV
AP Studio Art/ Drawing or 2D	AP Studio Art/ 3D Design or Pottery	Art History
Author & Illustrator		

PERFORMING ARTS

{Can be used to fill 9 elective credits}

Mr. Kaduce, Mr. Scaffidi

Things to know about PERFORMING ARTS

- Both Concert Choir and Band are semester-length courses (1 credit)
- You can take Band AND Choir at the same time
- Select Choir is an audition-process for credit that meets before school. Auditions will take place this spring. Do NOT request Select Choir
- Men's Choir and Treble Choir are extra-curricular groups. Rehearsals take place before school and/or weekly during Rails Time.

Performing & Fine Arts Electives

Concert Choir	Band	Digital Music Production
Music Appreciation	Music Theory	

COLLEGE COURSES

Junior/Senior Year

SASD will pay for 18 credits

- Courses can be taken online or in person
 - UWEC-BC
 - Northwood Technical College
- Applications for Fall 2025 are due March 1
- College Courses are NOT WEIGHTED
- Interested students must meet with Mrs. Meyers

WORK RELEASE

Senior Year

- Work Release can be taken by term, in blocks 1 or 4 in senior year
- Work Release is for one block only - 2.0 GPA
- You **MUST** be scheduled to work during the hours that you are not in school
- Contract must be completed before term starts
- Pass/Fail course

TEACHER ASSISTANT

- Junior or Senior year
- TA can be taken by term, in any block that best fits your schedule
- TAs assist teachers in the elementary and middle school buildings
- Must have a minimum 2.5 GPA
- Applications must be completed

WHAT'S NEXT?

- We will meet again next week to enter course requests into Skyward
 - Juniors - Thurs. 2/6 - 1st Rails
 - Sophomores - Thurs 2/6 - 2nd Rails
 - Freshmen - Fri 2/7 - 2nd Rails
- After scheduling is completed, you will meet with Mrs. Meyers to build and review your schedule and make any necessary changes
- Schedule meeting with Mrs. Meyers if necessary to sign up for college courses
- Your completed schedule will be shared before summer break
